## Key Benefits

### Death Benefit:

Option 1: "Sum Assured on Death" payable on Death

Upon death of the insured during the term of the policy, provided the policy is in force, the death benefit payable immediately to the Nominee will be the Sum Assured on Death.

The Policy shall terminate on payment of the Death Benefit and no other benefit under the policy shall be payable.

Option 2: "Sum Assured on Death" payable on Death & Monthly Income thereafter for 10 years

Upon death of the insured during the term of the policy, provided the policy is in force, the death benefit payable immediately to the Nominee will be the Sum Assured on Death. Along with the Sum Assured on Death, the Nominee shall also receive a monthly income equal to 1% of Basic Sum Assured for 10 years starting from the next monthly anniversary following the date of death. The nominee also has an option to receive the commuted value of the future income benefits as a lumpsum. The lumpsum amount is calculated as Discounting factor multiplied by Basic Sum Assured. The discounting factors are calculated using discounting rate of interest of 7.5% per annum.

The policy shall terminate on payment of the death benefit and no benefit other than income benefit shall be payable under the policy.

"Sum Assured on death" shall be defined as the highest of the following:

- 10 times the Annualised Premium
- 105% of all the Premiums Paid (excluding the underwriting extra premiums and modal loading), as on the date of death
- Minimum Guaranteed Sum Assured on Maturity
- Absolute amount assured to be paid on death

The Absolute amount assured to be paid on death is the Basic Sum Assured.

Minimum Guaranteed Sum Assured on Maturity is all the Premiums Paid (excluding the underwriting extra premiums and modal loading) for each of the above mentioned two (2) options.

"Annualised Premium" shall be the premium paid in a year with respect to the Basic Sum Assured chosen by the policy holder, excluding the underwriting extra premiums and loading for modal premiums, if any.

All taxes, duties, surcharge, cesses or levies shall be collected separately over and above the policy premiums.

Note: If a claim is payable under this Policy, any amount of due premium/s will be deducted from the amount of death benefit payable to the Nominee/Legal heir.

### **Maturity Benefit:**

On survival till end of the policy term, all the Premiums Paid (excluding the underwriting extra premiums and modal loading) will be returned.

### **Survival Benefit**

There is no Survival benefit in this plan.

## **Other Benefits and Features**

### **Preferential Premium Rates:**

A healthy lifestyle should be rewarded hence we offer special rates for non-smokers, additionally preferential rates are also offered to female lives

For Regular and Limited Pay

For those who opt for high level of protection, High Protection Discount shall be expressed as a percentage of premium are as follows:

SA Band	For Both Option 1 & Option 2
50 lakhs to 74 lakhs	Nil
75 lakhs to 99 lakhs	12.50%
1 crore & above	15.00%

### **Flexible premium payment modes**

You have an option to pay the premiums either Annually, Half Yearly, Quarterly and Monthly modes.

Loading on premiums will be applicable as mentioned in the table below:

Mode	Modal Loading
Annual	0%
Half Yearly	2%
Quarterly	4%
Monthly	6%

### **Lapse**

If the premium for at least full 2 years is not paid within the grace period for Limited Pay 5 policies & at least full 3 years is not paid within the grace period for Limited Pay 10 & Regular Pay policies, the policy shall lapse from the due date of first unpaid premium and no benefits will be payable. The policy may be revived, within two years from the due date of the first unpaid premium.

### **Non forfeiture provisions**

#### **•Surrender Benefit:**

It is advisable to continue the policy till the chosen policy term. However, due to some unfavorable circumstances if you are unable to continue the policy and it needs to be surrendered, we will pay the below:

The policy shall acquire a Guaranteed Surrender Value and a Special Surrender Value and may be surrendered at any time during the term of the policy, provided the following:

- At least two (2) full years' premiums have been paid in case of Limited Pay (5 years)
- At least three (3) full years' premiums have been paid in case of Limited Pay (10 years) and Regular Pay

The Surrender Benefit Payable = Higher of (Guaranteed Surrender Value, Special Surrender Value) where,

Guaranteed Surrender Value = Guaranteed Surrender Value Factor multiplied by all the premiums paid (excluding the underwriting extra premiums and modal loading)

Special Surrender Value = Special Surrender Value Factor multiplied by all the premiums paid (excluding the underwriting extra premiums and modal loading)

The applicable surrender value factors vary according to the policy term, premium paying term and policy year of surrender.

Company may review this Special Surrender Value factor from time to time based on the experience and any change in SSV factors will be subject to prior approval of IRDAI.

#### **•Reduced Paid-Up Benefit**

At any time during the policy term, if the premiums are not paid within the Grace Period, the policy will lapse. This will only be true in case of those limited Pay 5 & limited Pay 10/regular pay policies for which premiums have only been paid for less than 2 years & 3 years respectively. Such policy may be revived, within two years from the due date of the first unpaid premium.

However, if the policy is not revived, no further benefit will be payable and the policy will terminate.

The policy will be converted into a Reduced Paid-up policy by default, provided premiums for at least full two (2) years is paid for Limited Pay 5 policies & at least full three (3) years is paid for Limited Pay 10 & Regular Pay policies and subsequent premiums remain unpaid.

Reduced Paid-up policy is a default non forfeiture benefit. Such Reduced Paid-up policies can be revived within two (2) years from the due date of first unpaid premium by payment of all due premiums together with interest. Once Policy becomes reduced paid up and is not revived till the end of the revival period it will continue to be in Reduced Paid-up status.

The benefits to be paid in case of Reduced Paid up policies are as follows. For the purpose of the benefit descriptions below, the "Reduced Paid-up (RPU) Factor" at any point during the term of the policy shall be defined as:

RPU Factor = (No of Premiums paid) divided by (No of Premiums Payable during the entire policy term)

## **For both the options:**

### **Death Benefit:**

The Death Benefit shall be payable after proportionately reducing the amount by the RPU Factor,

i.e.: Sum Assured on Death multiplied by RPU Factor

This total amount will be subject to a minimum of 105% of all the premiums paid (excluding the underwriting extra premiums and modal loading), as on the date of death.

For Option 2, monthly income of 1% of (Basic Sum Assured multiplied by RPU Factor) is payable for 10 years from the next monthly anniversary following the date of death. The nominee also has an option to receive the commuted value of the Income Benefit as a lumpsum calculated as discounting factor (as provided above) multiplied by Basic Sum Assured multiplied by Reduced Paid-up Factor.

### **Survival Benefits:**

There is no Survival Benefit available under this plan.

### **Maturity Benefit:**

All the Premiums Paid (excluding the underwriting extra premiums and modal loading) shall be payable on the survival of the insured till the end of the term of the policy.

## **Revival**

If a premium is in default beyond the Grace Period and subject to the Policy not having been surrendered, it may be revived, within two years after the due date of first unpaid premium and before the date of maturity, subject to: (i) Policyholder's written application for revival; (ii) production of Insured's current health certificate and other evidence of insurability, satisfactory to the Company; and (iii) payment of all overdue premiums with interest.

The evidences and any medical requirements called for are in line with the prevailing underwriting rules/ practices & the health declaration by the Life Assured. Any revival shall only cover loss or insured event which occurs after the revival date.

Any evidence of insurability requested at the time of revival will be based on the prevailing underwriting guidelines duly approved by the Board. The revival will be based on the Board approved underwriting policy.

The applicable interest rate for revival is determined using the SBI domestic Term Deposit rate for '1 year to less than 2 years', plus 2%. Any alteration in the formula will be subject to prior approval of IRDA of India.

## **Flexibility of Additional Coverage**

You have further flexibility to customize your product by adding the following optional rider. The rider can be attached only at policy inception.

- Tata AIA Life Insurance Accidental Death and Dismemberment (Long Scale) (ADDL) Rider (UIN:110B028V01)

Rider is not mandatory and is available for a nominal extra cost. For more details on the benefits, premiums and exclusions under the riders please refer to the Rider Brochure or contact our Insurance Advisor or visit our nearest branch office.

## **Grace Period**

If you are unable to pay your premium on time, starting from the premium pay-to-date, a Grace Period of 15 days for monthly mode and 30 days for all other modes will be offered. During this period your policy is considered to be in-force with the risk cover as per the terms & conditions of the policy. If the full premium for the first 2 & 3 policy years remains unpaid at the end of their grace period for limited pay 5 & limited Pay 10/regular pay respectively, the policies shall lapse from the due date of the first unpaid premium. If any claim occurs during the Grace Period, any due premiums (without interest) of the policy, which are not paid as on date of death, will be deducted from the death claim payout.

## **Free Look Period**

If you are not satisfied with the terms & conditions/features of the policy, you have the right to cancel the policy by providing a written notice to the Company and receive the refund of all premiums paid without interest after deducting (a) proportionate risk premium for the period on cover and (b) stamp duty and medical examination cost (including Service Tax and Surcharge/ Cess) which have been incurred for issuing the policy. Such notice must be signed by you and received directly by the Company within 15 days from the date of receipt of the policy document. The said period of 15 days shall stand extended to 30 days, if the policy is sourced through distance marketing mode, which includes every activity of solicitation (including lead generation) and sale of insurance products through voice mode, SMS, electronic mode, physical mode (like postal mail) or any other means of communication other than in person or through online sales.

Distance Marketing will include sales through Direct Sales (other than in person). Direct Sales includes Direct Sales Force, tele-calling and tele-assisted sales. Direct Sales Force are employees of TALIC and are provided incentives on business solicited.

The Proportionate risk premium will be determined as under: ("Sum Assured on death" plus Net Present Value of future income benefits, if any, at 7.5% per annum) multiplied by (mortality rate) multiplied by (number of days for the period on cover /365)

## **Increase /Decrease in Basic Sum Assured**

Any increase or decrease in the Basic Sum Assured is not allowed post inception of the policy.

## **Policy Loan**

There is no policy loan available in this plan.

## **Plan Conversion**

Plan conversion not allowed.
